

*a WORD from*  
**PASTOR RON**

Dear Family & Friends,

**It has been a joy to stay connected to our weekend services** through either live stream or through Facebook following, with a little help from Rocky. Thank you Danny for making this available. The worship has been wonderful as we've been able to join with you in lifting praise to God, though mine are often lip syncing.

**It has been an even greater joy to hear the many reports of your appreciation of Bryan, Caz and girls.** I've so appreciated Bryan's preaching. I love the series and the wisdom he's showing to bring the church family, new and old, together with our shared story of God's leading through the decades. The Biblical bases, the illustrations, his natural humor and applications have just been excellent in my humble opinion. Bryan's desire to know us translates into wonderful relationships over time. **When I asked for his feedback this week, a wise man told me it's like a stew.** The longer it simmers, the better it gets.

**Bruno's the buzz.** Following the first of 3 concerts at the stadium last night, the staff and folks here in Hospice are either excited or complaining about the traffic back to the Leeward side following their 11:00 o'clock shift. Wouldn't it be wonderful if we made Jesus the buzz of our conversations? I had a neat opportunity to do so this morning. As the Lord opens doors, let's gently walk through be it a testimony, an invitation to church or a church activity.

By God's grace, it's been so good to be here. The kind, caring attention has made it so tolerable. Dee, Rocky & Anadara have been a blessed presence. Though we have to really restrict visitors, we continue to be buoyed by your prayers, emails and notes. Thank you!

Grace to You  
Pastor Ron & Dee

## Host an International Student for Thanksgiving

In the tradition of island hospitality, would you consider hosting one or two international students for Thanksgiving?

It's a great way to share the love of Jesus across cultures!  
Contact Kevin Quinn at [kquinnhawaii@gmail.com](mailto:kquinnhawaii@gmail.com) if you would like more information.

This year, our Thanksgiving Offering will go to:

1. The River of Life Mission: Every other month, we provide dinner & Jesus' love to the homeless and would also like to help the Mission add a new staff position.
2. Hareg House: Help for women trapped in prostitution, with vocational training & Christian discipleship, which has a 90% success rate.
3. Salvation Army: housing help for fire & flooding disaster victims on the Big Island, Maui and Kauai
4. Global Hope Network International: For the Iraqi, Syrian and Greek refugees desperately needing help. GHNI is reaching these Muslims with Jesus' love. Please pray about what the Lord would have you give and mark your envelope "Thanksgiving." You may also give online at [www.kaimukichristian.org](http://www.kaimukichristian.org).
