Greetings in the name of Jesus Christ, our Lord and Savior. If you are visiting with us today, we want to welcome you. If KCC is your church home, welcome back family! We are so excited that you are worshipping and praising the Lord of lords and King of kings with us this weekend.

The last five weeks, Pastor Bryan has been preaching about, “Learning to be Spiritual.” We have walked through Prayer, Fasting, Study, Solitude, and Worship. He gave us so much information and great resources to assist us as we move forward with our learning. While it is so important to hear these messages, it doesn’t just stop there. We need to put them into practice. We need to DO!

Imagine I tell my son to clean his room. He says, “You want me to clean my room. Got it.” I come back later to find that he hasn’t cleaned his room. I ask, “Why haven’t you cleaned your room?” He says, “I heard you tell me to clean my room. I love that bit of your word to me. I’ve memorized it, and I’ve been meditating on it. My sister and I have been meeting and discussing what it might look like to clean my room. I feel like I’m really growing here.”

This is similar to what we sometimes do. We love Jesus’ words, but we don’t DO them. We study His words, but we don’t put them into practice. We need to remember that merely hearing Jesus’ words is not necessarily good enough for us. It’s like plopping vegetables on our dinner plates. They only help us if we take them in.

This learning to be spiritual is not a 100-meter dash; it’s a marathon. But, we are here for you if you need help. Take your time, but dive into DOING.

My message today is about encouragement to be DOERS from James 1:23-25. It’s entitled “Putting The Word of God Into Practice.”

Our responsibility is to hear the Word, read the Word, study the Word, accept the Word, and put the Word into practice. Otherwise, we deceive ourselves. Let’s Be Doers!

Fa’amanuia le Atua,

Pastor Nofo
